Rolling Admission Plan

Transfer applications are accepted for the fall, spring, and summer semesters.

Registration

Registration takes place through the Office of Academic Affairs after deposited students receive registration kits. Registration kits are typically sent in April for the summer/fall semesters and November for the spring semester.

The Arthur O. Eve Higher Education Opportunity Program

The Arthur O. Eve Higher Education Opportunity Program (HEOP) provides educationally and financially disadvantaged residents of New York State access to independent colleges and universities throughout the state. The program was created in 1969 by the New York State Legislature to help New York residents gain access to the state's private colleges and universities. The program is designed for students who have the potential for, and are interested in, pursuing a college degree but who do not meet the regular admission requirements of a particular college.

HEOP offers educational opportunities to students by providing them with academic and financial help. The application fee is waived for HEOP applicants.

To be eligible for HEOP, transfer students must have been enrolled previously in HEOP, EOP, or SEEK at another institution.

Personal Statement (optional)

Please share any significant achievements or contributions you have made in the areas of leadership, community service, or outstanding life experiences.
