Please answer each of the following questions in the space provided. Each answer should be no more than 500 words.

1. Almost everyone faces an obstacle or challenge as they progress through school. Please describe an obstacle you have overcome or a challenge you have faced as you progressed through school. This may be related to your academics, physical health, finances or family circumstances. Explain how you handled the obstacle or challenge, what you learned from that experience, and how that better prepares you to be successful at Fisher.

2. Most students come to college so that they can have a better future. In addition to seeking a better future for yourself, describe at least two other goals you have and how participation in the First Generation Scholars Program at Fisher can help you achieve those goals.
