Preceptors must complete three tasks in Typhon:

1. Verify Time logs for each student
   - To complete
     i. Look under ‘Student Reports’, and click on Time Logs
     ii. After verifying each date and number of hours, change the status of the time log to approved

2. Complete an evaluation tool of the nurse practitioner student
   - You should have ongoing communication with the student(s) regarding progress. The evaluation in Typhon must be completed at the end of the rotation.
   - To complete the evaluation:
     i. Login to Typhon
     ii. Click on My Evaluations
        You will see ‘Preceptor for __NP: Eval of Student Performance’
        1. (adult-gero (AG), Family (FNP) or Mental Health (PMHNP)
     iii. Click on the appropriate evaluation tool
     iv. Choose the student you are evaluating from the drop down list, and click ‘begin new survey’
     v. Complete the questions providing feedback for any poor scores and include comments for the final evaluation.
*Please review with the student in person
** Student must be graded as competent in competencies marked * at final evaluation of to pass the clinical component of those courses and progress.
***Final Clinical Course: Student must be graded as competent in all competencies at final evaluation to pass clinical component of the fourth clinical course and graduate.

3. Complete the Graduate Preceptor Survey
   - Please complete at the end of the semester. The feedback will be reviewed by program directors
   - To complete the evaluation:
     i. Login to Typhon
     ii. Click on My Evaluations
     iii. You will see ‘Graduate Preceptor Survey’
     iv. Choose the date, and ‘Press here to respond to this survey’
     v. Submit completed evaluation
Finally we ask that you sign the Clinical Summary Sheet verifying the hours precepted (provided by the student) or available at
https://www.sjfc.edu/media/schools/nursing/documents/ClinicalCourseSummaryGraduate.pdf
